

Notice: Acquisition of Leasehold for Vietnam factory site

On October 13, 2010, NAM QUANG INVESTMENT AND DEVELOPMENT INFRASTRUCTURE JSC and our subsidiary UNIDEN VIETNAM LTD. have entered an agreement on acquiring a leasehold in land.

This is to secure the land adjoining the current factory to prepare for future factory expansion. At present time, no specific operating plans for the new facility have been decided. We anticipate the impact to financials of this fiscal year to be very small.
