

Notice: Proposed Reduction of Capital Reserve Amount

Please be on notice that in the board members meeting held on October 29, 2010, the board decided to propose a reduction of capital reserve amount at an extraordinary shareholders' meeting on December 22, 2010. The discussion shall include the following five points:

1. Proposal Purpose

In order to secure flexibility in company capital, the board proposes the capital reserve amount be reduced and the total reduction amount to be transferred to other capital surplus.

2. Proposal Procedure

As provided for in corporation law, article 448, section 1, the total amount of capital reserve, 9,749,697,775 JPY, is to be reduced and transferred to other capital surplus.

3. Proposal Schedule

(1) Board members' meeting	October 29, 2010
(2) Final date for the creditors to protest	December 17, 2010
(3) Shareholders' meeting resolution date	December 22, 2010
(4) Effective date	December 22, 2010

4. Proposal Prospect

This is an account transfer inclusive in the net asset section of the company's financials, therefore, the amount of our net asset will not change and it will not affect our business result.

5. Proposal Implementation

This proposal must be acknowledged and approved in an extraordinary shareholders' meeting scheduled for December 22, 2010 before it can be implemented.
